

Happy Thanksgiving 2021 to the Lifespire Family

I just wanted to take a moment today to wish everyone at Lifespire and their families a Happy Thanksgiving. This time of year is wonderful not only for food and the gathering together of loved ones but it reminds each of us the importance of gratitude and shared values.

Thank you to the people we serve and their families for partnering with Lifespire.

Thank you to all the staff at Lifespire for all that you do!

Thank you for carrying out the vision of our founders-Ida Rappaport and Harry Kamish!

Thank you for your dedication for doing your work with excellence!

Thank you for your kindness and compassion believing the work we do is important!

*Thank you for caring!
Thank you for being you!*

Thank you to every staff person who does the right thing when not being watched!

Thank you for maintaining our COVID-19 protocols !

Thank you!
